

## Swedish Neutron Scattering Society Meeting, May 2017

### It is time to plan your participation in the Swedish Neutron Scattering Society (SNSS) Annual Meeting on 15-16 May 2017

**Location:** Uppsala: Lectures in the Ångström Laboratory.

**Time:** The scientific programme will start at 1 PM on the 15<sup>th</sup> and end by 2 PM on the 16<sup>th</sup>, where it will then continue with a kick-off meeting for SwedNess, the new Swedish graduate school in neutron scattering held in collaboration for the NordForsk School. Participants at the SNSS meeting are very welcome to attend the afternoon lectures.

### Scientific Programme

Accepted invited speakers for these meetings are:

Natalie Malikova	UPMC/CNRS Paris, France
Cev Noyan	Columbia University, New York, USA.
Jayne Lawrence	King's College London, UK
Jeremy Lakey	Newcastle University, UK
John Womersley	ESS, Lund

A major part of the programme of the SNSS meeting consists of contributions as talks or posters from the Swedish neutron scattering community. Please send one page abstracts to Camilla Dann indicating whether they should be considered for oral presentation.

**Registration and Fee:** 450 SEK + moms (VAT).

The fee includes coffee and a buffet dinner on the 15<sup>th</sup> and coffee and lunch on the 16<sup>th</sup>. To register please reply to Camilla Dann at [Camilla.dann@kemi.uu.se](mailto:Camilla.dann@kemi.uu.se). Include your contact information, the invoice address and information about food allergies or restrictions. If you want to present your results, you also need to send the abstract.

**The submission deadline for abstracts is 27 March 2017**

WE SUGGEST THAT YOU PLAN YOUR TRAVEL NOW. Uppsala is busy in the middle of May and convenient hotels may be fully booked very early. Now it is up to you, do not miss this opportunity to be a part of two great happenings within the Swedish neutron community this year!
